

25" Industrial Pedestal & Wall Fans

Extremely cost effective and efficient method of rapidly cooling people, machinery and work areas.

- Each fan is of heavy duty Industrial construction utilising a 25" (635mm) aluminum blade & a high quality chrome plated guard.
- Powered by 3 speed, 240v electric motor, approved by the Queensland Electricity Commission of Australia (CS/1101/Q).
- Cool air is delivered where it is most needed via a controllable oscillation mode (0-90°) and a fan head which can be adjusted from a 15° angle downwards to 60° upwards.
- The sturdy heavy duty cast iron base and wall mounting kit ensures fan stability in both floor & wall mount units.
- *12 months on site Warranty.

12 Months Warranty
